what is
Patient Portal

Know your health...

...Know yourself

Entira Family Clinics offers patients easy and private access to their medical information online, so you can view your personal health record whenever and wherever you have access to the Internet!

Gain access to your private health information and receive periodic updates and reminders from your provider on your personal e-mail address!

what are my **Patient Benefits**

With Patient Portal, you will have access to:

Appointments
Request and keep track of appointments

Lab Results
Receive and view latest Lab Results

Medical Record
View your personal health record

Messages
Send messages to clinical staff

Reminders
Receive appointment reminders

Referrals
Request referrals to outside Providers

Personal Information
Update your contact information

how do I **Get Web-Enabled**

To gain access to our secure server on Patient Portal and become web-enabled, simply sign-up by providing us with a personal (**non-work, non-shared**) e-mail address.

You will be able to securely login with your username and password, and gain access to your personal health record and other helpful features from any computer with an Internet connection!

The Patient Portal is not intended for use in emergencies. If you require urgent or immediate medical care, call 911.
